Give With Faith Forever

As you discern what legacy you will leave, an endowment is an excellent option to consider.

This endowment is designed to support the Catholic causes you love forever, making it possible for you to ensure long-term financial support and sustainability to your Catholic parish, school, organizations, and ministries you love most. Once established, anyone can make additional contributions to the endowment in any dollar amount.

To start an endowment, you need to make a gift of \$10,000. However, this gift can be made over time through a gift agreement with the Idaho Catholic Foundation to reach the endowment threshold.

You can choose to support an existing endowment, start your own named fund, or establish a fund to honor or memorialize friends, family, or loved ones.

Experience the Benefits of an Endowment

Ensure a bright future for the Catholic causes you love forever.

Your gifts are invested in accordance with the United States Conference of Catholic Bishops (USCCB) guidelines for Catholic responsible investing.

You may be able to receive a reduction on income taxes.

Talk with the Idaho Catholic Foundation to share what legacy you will leave!
